

Company Profile

Engineering your dreams.
Building the future.

About us

Tiger's Mark Corporation is resolute in providing value-added construction and procurement services to our customers by providing quality workmanship, customer service and maintaining the highest level of professionalism and fairness in our relationships with our customers, vendors and employees. We seek to become a valued supply partner of global brands to bridge the gap of construction materials and equipment locally.

Vision

Tiger's Mark Corporation aims to become the preferred construction partner in the industry, and ultimately in building the future of the Philippines. We seek to be the premiere organization with the ability to supply all kinds of construction materials and equipment with our own logistics nationwide.

Mission

Tiger's Mark Corporation is resolute in providing value-added construction and procurement services to our customers by providing quality workmanship, customer service and maintaining the highest level of professionalism and fairness in our relationships with our customers, vendors and employees. We seek to become a valued supply partner of global brands to bridge the gap of construction materials and equipment locally.

Core Values

Integrity

We seek to act with integrity and accountability for our actions.

Excellence

We are passionate about being the best in everything we do, relentlessly pursuing continuous improvement and research.

Innovation

We are innovators. We instill idea generation in our culture, and foster creativity in the workplace.

What we do

Trading & Procurement

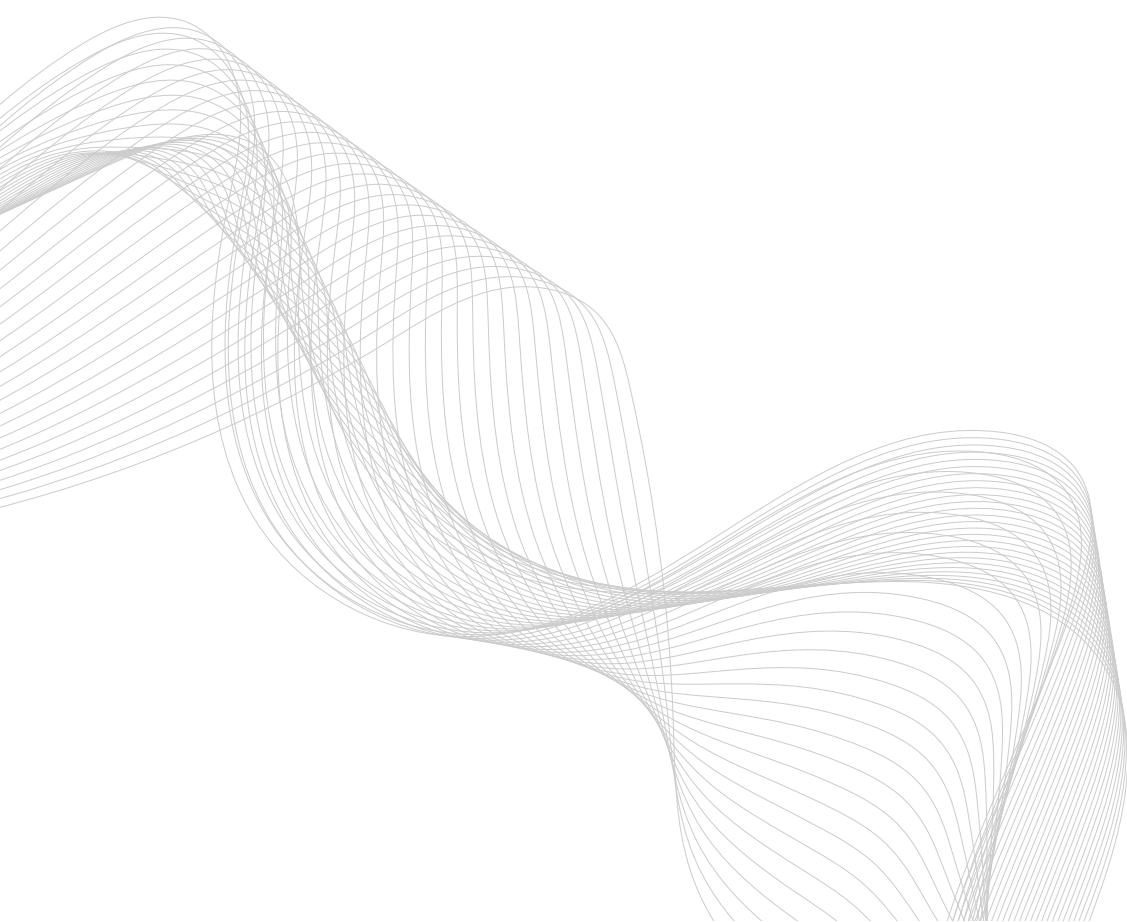

TMC is engaged in the business of trading goods such as construction materials, tools and equipment, on wholesale or retail basis. We are partners to global brands in the construction industry. We provide an efficient and effective trading plan for our clientele's needs whatever they need, whenever they prefer.

Construction Management

TMC works seamlessly with clients to coordinate multiple and related projects to achieve our client's goals and help them realize their dreams and vision.

Construction Services

TMC is engaged in construction and engineering services, including constructing, expanding, repairing, developing or engaging in any work upon buildings, infrastructure and other development projects.
